

Mission/Vision Statement

Gordon City Library
2022

Gordon City Library will continue to strive to meet the needs of all residents, especially children, families, and senior citizens with updated library materials in a variety of formats, access to the Internet, and educational programs.

Patrons using the library will be welcomed by a friendly and knowledgeable staff into a setting which stimulates inquiry and creative thinking.

The library will maintain strong promotional efforts, which will result in a community constantly aware of the library's resources and programs. With the support generated and the help of volunteers, the library will have adequate means to develop in all areas and to contribute toward the high quality of life enjoyed in our area.
